Career Objective: To seek the position of a dance teacher, performer, and or choreographer at a dance school and or other locations, where I will apply my very best dancing knowledge and professional skills, in a healthy environment, for students of all ages and levels to learn, to be encouraged, and to be challenged.

Summary of Qualifications:

- BA in Dance performance and choreography at the University of Alabama
- Extensive Experience as a professional dance teacher, performer and choreographer.
- Very active teacher – always demonstrating with great energy
- Great teaching aptitude and problem solving aptitude with immense focus towards students needs
- Ability to instruct all age groups
- Ability to instruct a wide variety of content clearly and age and style appropriate
- A strong sense for diversity in music, musicality, range of movement, texture and meaning of movement, performance abilities, guiding body alignment, improvisational techniques and the simple love for dance, discovering and growing with your students!!

Professional Work Experience

(2013 - Present) Faculty member for Showstoppers On Tour

(2014 - Present) Faculty member for Hollywood Dance Jamz

- These weekends are filled with everything DANCE and everything awesome! Training recreational to pre pro and professional dancers in the following states yearly has helped me develop into a knowledgeable teacher when working with different age groups and material.
